RE: Corrected Interexchange Tariff No. 7 for Matrix Telecom, Inc. d/b/a Trinsic Communications  
**JX-2008-0294**

Dear Ms. Dale:

Enclosed for filing please find the original of the replacement Interexchange Tariff submitted on behalf of Matrix Telecom, Inc d/b/a Trinsic Communications. The purpose of this filing was to add Trinsic Communications d/b/a to the tariff based upon the recently issued approval from the Missouri Secretary of State.

The correction is being submitted after a discussion with Mr. Art Kuss regarding the original filing in this matter. The Company also requests a 30 day extension of the effective date to give the Commission staff ample time to review and approve the filing.

Any questions you may have regarding this filing may be directed to me at 407-740-3001 or via email to [tforte@tminc.com](mailto:tforte@tminc.com).

Thank you for your assistance with this matter.

Sincerely,

Thomas M. Forte  
Consultant to Matrix Telecom, Inc.

**TARIFF FORMAT**

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the MPSC. For example, the 4th revised Sheet 14 cancels the third revised Sheet 14. Because of various suspension periods, deferrals, etc. the MPSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are seven levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1
  - 2.1.1
  - 2.1.1(A)
  - 2.1.1(A)(1)
  - 2.1.1(A)(1)(a)
  - 2.1.1(A)(1)(a)(1)
- D. Check Sheets - When a tariff filing is made with the MPSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the MPSC.

**SECTION 2 - RULES AND REGULATIONS**

**2.1 Undertaking of Matrix Telecom, Inc. d/b/a Trinsic Communications**

This tariff contains the regulations and rates applicable to intrastate and intraLATA resale telecommunications services provided by Matrix for telecommunications between points within the State of Missouri. Resale services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company's services are provided on a statewide basis and are not intended to be limited geographically. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the company's services shall file a service application with the Company which fully identifies the Customer, the services requested and other information requested by the Company. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement. The Company does not own any switching, transmission or other physical facilities in Missouri.

**2.1.1** The services provided by Matrix are not part of a joint undertaking with any other entity providing telecommunications channels, facilities, or services, but may involve the resale of the Message Toll Services (MTS) and Wide Area Telecommunications Services (WATS) of underlying common carriers subject to the jurisdiction of this Commission.

**2.1.2** The rates and regulations contained in this tariff apply only to the resale services furnished by Matrix and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carriers for use in accessing the services of Matrix.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.2 Use and Limitations of Services**

- 2.2.1** Matrix's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2.
- 2.2.2** The use of Matrix's services to make calls which might reasonably be expected to frighten, abuse, torment, or harass another or in such a way as to unreasonably interfere with use by others is prohibited.
- 2.2.3** The use of Matrix's services without payment for service or attempting to avoid payment for service by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.
- 2.2.4** Matrix does not transmit messages, but the services may be used for that purpose.
- 2.2.5** Matrix's services may be denied for nonpayment of charges or for other violations of this tariff subject to Section 2.5 herein.
- 2.2.6** Customers shall not use the service provided under this tariff for any unlawful purpose.
- 2.2.7** The Customer is responsible for notifying the Company immediately of any unauthorized use of services.
- 2.2.8** All facilities provided under this tariff are directly controlled by Matrix Business Technologies. and the Customer may not transfer or assign the use of the service or facilities, except with the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.9** Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transfers.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.4 Responsibilities of the Customer or Subscriber, (Cont'd.)**

**2.4.5** The Customer shall ensure that its equipment and/or system is properly interfaced with Matrix facilities or services, that the signals emitted into the Matrix network are of the proper mode, bandwidth, power, and signal level for the intended use of the Customer in compliance with the criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, Matrix will permit such equipment to be connected with its channels without the use of protective interface devices.

If the Customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Matrix equipment, personnel, or the quality of service to other Customers, Matrix may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, Matrix may, upon written notice, terminate the Customer's service.

**2.4.6** The Customer must pay the Company for replacement or repair of damage to the equipment or facilities of the Company caused by negligence or willful act of the Customer, users, or others, by improper use of the services, or by use of equipment provided by the Customer, users, or others.

**2.4.7** The Customer must pay for the loss through theft of any Matrix equipment installed at Customer's premises.

**2.4.8** The Customer or authorized user is responsible for compliance with the applicable regulations set forth in this tariff.

**2.4.9** The Customer or authorized user is responsible for identifying the station, party, or person with whom communications is desired and/or made at the called number.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.5 Cancellation or Discontinuance of Services**

- 2.5.1** Without incurring liability, Matrix may, upon five working days written notice, discontinue services to a Customer or may withhold the provision of ordered or contracted services:
- A.** For nonpayment of any sum due Matrix for more than thirty days after issuance of the bill for the amount due,
  - B.** For violation of any of the provisions of this tariff,
  - C.** For violation of any law, rule, regulation or policy of any governing authority having jurisdiction over the Company's services, or
  - D.** By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting Matrix from furnishing its services.
- 2.5.2** Without incurring liability, Matrix may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and Company's equipment and services and may continue such interruption until any items of non-compliance or improper equipment operation so identified are rectified.
- 2.5.3** Service may be discontinued by Matrix, without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using a call screening method which generates a network message not allowing calls to complete, when Matrix deems it necessary to take such action to prevent unlawful use of its service. Matrix will restore service as soon as it can be provided without undue risk.
- 2.5.4** The Customer may terminate service upon verbal or written notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage and be responsible for payment until the Customer or its agent notifies its local exchange carrier and changes its long distance carrier.

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.6 Interruption of Service**

- 2.6.1** Credit allowance for the interruption of service which is not due to the Company's testing, inspecting, or adjusting, of equipment; or to the failure of channels or equipment provided by the Customer; or to the Company's blocking of services to certain locations; and that is not caused by the Customer, is subject to the general liability provisions set forth in 2.3 herein. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Company's facilities.
- 2.6.2** No credit is allowed in the event that service must be interrupted for less than two hours in order to provide routine service quality or related investigations.
- 2.6.3** Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company.
- 2.6.4** Credit for interruption shall commence after the Customer notifies the Company of the interruption or when the Company becomes aware thereof, and ceases when service has been restored.
- 2.6.5** For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.6** No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.6.7** The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

**CREDIT FORMULA:**

$$\text{Credit} = (A \times B) / 720$$

"A" - outage time in hours

"B" - total monthly charge for affected facility

**SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**

**2.7 Restoration of Service**

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission

**2.8 Deposits**

The Company does not require a deposit from the Customer.

**2.9 Advance Payments**

For Customers whom the Company feels an advance payment is necessary, the Company reserves the right to collect an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and if necessary a new advance payment will be collected for the next month.

**2.10 Taxes**

All federal, state and local taxes, assessments, surcharges, or fees (i.e., gross receipts tax, sales tax, use tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

**2.11 Billing and Charges**

**2.11.1** Customers may be billed directly by Matrix or by the local exchange carrier on behalf of Matrix. Billing will be payable upon receipt and will be considered past due if not paid within 15 days.

**2.11.2** The Customer is responsible for payment of all charges for services furnished to the Customer, as well as to all persons using the Customer's codes, exchange lines, facilities, or equipment, with or without the knowledge or consent of the Customer. The security of the Customer's Authorization Codes, subscribed exchange lines, and direct connect facilities is the responsibility of the Customer. All calls placed using direct connect facilities, subscribed exchange lines, or Authorization Codes will be billed to and must be paid by the Customer. Recurring charges and non-recurring charges are billed in advance. Charges based on actual usage during a month and any accrued interest will be billed monthly in arrears.

Adjustments to Customers' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate. A Customer who is unable to resolve a billing dispute with the Company may contact the Commission to intervene in the billing dispute.

**2.12.3** In the event the disputed charges are not resolved, the Company shall inform the Customer that the Customer may utilize the complaint procedures of the Commission's Consumer Services Division. The Company shall provide the Customer with the following information:

Missouri Public Service Commission  
Consumer Services Division  
Governor Office Building  
P.O. Box 360  
Jefferson City, MO 65102-0360  
(800) 392-4211

The Company must provide notice to affected end-users of any increased rate of a noncompetitive service at least twenty (20) DAYS PRIOR TO IMPLEMENTATION OF SAID INCREASE. Customer Notice of a rate increase shall comply with applicable commission requirements.

The Company shall provide notice to affected residential customers of any increased rate for a service determined to be competitive, prior to or concurrent with the effective rate increase. Customer Notice of a rate increase shall comply with applicable commission requirements.

**SECTION 3 - DESCRIPTION OF SERVICE**

**3.1 Timing of Calls**

**3.1.1** The Customer's long distance usage charge is based on the actual usage of Matrix Telecom, Inc. d/b/a Trinsic Communications' network. Usage begins when the called party picks up the receiver. When the called party picks up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. When software answer supervision is employed, up to 60 seconds of ringing is allowed before it is billed as usage of the network. A call is terminated when either the called or calling party hangs up. There will be no charges for incomplete calls.

**3.1.2** The minimum call duration and initial billing period is 60 seconds for all intrastate direct dialed calls unless otherwise specified by this tariff. Any additional period is measured and rounded to the next higher 60 second increment unless otherwise specified by this tariff.

**3.1.3 Time Of Day Rate Periods**

Day, evening and night/weekend rates apply for the following products based on the following chart:  
 All Services:

	MON	TUES	WEDS	THURS	FRI	SAT	SUN
8:00 AM TO 5:00 PM*	DAYTIME RATE PERIOD						
5:00 PM TO 11:00 PM*	EVENING/NIGHT/WEEKEND RATE PERIOD						
11:00 PM TO 8:00 AM*							

**\* to, but not including**

Calls are billed based on the rate in effect for the actual time period(s) during which the call occurs. Calls that cross rate period boundaries are billed at the rates in effect in that boundary for each portion of the call.

**SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**

**3.2 Calculation of Distance**

Usage charges for all mileage sensitive products are based on the airline distance rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

EXAMPLE: Distance between Miami and New York City -

VH		
Miami	8,351	529
New York	4,997	1,406
Difference	3,354	-879
Square and add:	11,249,316 + 772,641	12,021,96
Divide by 10 and round:	12,021,96 / 10	1,202,195.70
Take square root and round:	1,202,196	1,096.4
		1,097 miles

**SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**

**3.4 Service Offerings, (Cont'd.)**

**3.4.5 Services Available to Former Trinsic Customers, (Cont'd.)**

**G. Operator Assisted Service**

Operator Assisted Service is available for use by the Company's presubscribed customers. The Company's Operator Assisted Service allows the Customer to select from the special call handling or billing arrangements specified below. Call rates and applicable service charges will be assessed based on the call type (i.e., calling/credit card, collect, third party billed, or person-to-person). Rates are based on mileage, call duration and method of billing. Calls are billed in one minute increments, with additional per call charges reflecting the level of operator assistance and billing method. Operator service charges are not discounted for time of day.

The types of calls handled are as follows:

Customer Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized Calling Card or Commercial Credit Card. The Customer must dial the destination telephone number where the capability exists for the Customer to do so. A separate rate applies in the event operator assistance is requested for entering the Customer's card number for billing purposes.

Operator Dialed Calling/Credit Card Call - This charge applies in addition to long distance usage charges for station to station calls billed to an authorized telephone Calling Card or Commercial Credit Card and the operator dials the destination telephone number at the request of the Customer.

Operator Station - These charges apply in addition to long distance usage charges for non-Person-to-Person calls placed using the assistance of a Company operator and billed Collect, to a Third Party or via some method other than a Calling Card or Commercial Credit Card.

Person-to-Person - This charge applies in addition to long distance usage charges for calls placed with the assistance of a Company operator to a particular party at the destination number. This charge applies regardless of billing method, including but not limited to billing to a Calling Card, Commercial Credit Card, Collect or to a Third Party. Charges do not apply unless the specified party or an acceptable substitute is available.

**H. Public Telephone Surcharge**

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all intrastate calls that originate from any pay telephone used to access Company provided services. This surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with service, applies for the use of the instrument used to access Company provided service and is unrelated to the service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (e.g., using the "#" symbol). The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.
