On August 29, 2007, GTC Video, Inc., ("the Company") pursuant to §67.2679.7 RSMo 2000 (Cum. Supp. 2007), filed an application for video service authorization in the following political subdivisions:

City of Carthage	0
Community of Newtonia	0
Community of Stark City	0
Newton County	0

On September 17, 2007, a public comment was filed by the Carthage, Missouri, City Attorney objecting to the Application due to an incorrect franchise fee. On September 18, 2007, the Company filed a Motion to Amend Application for Video Service Authorization. The Company states it should not have sought video service authorization for the Cities of Carthage and Neosho, but should have sought authorization for the unincorporated area within Jasper County.

On September 20, 2007, the Commission granted video service authorization to the political subdivisions forth in the amended application, except the unincorporated area

within Jasper County. The Commission allowed Jasper County time to review and respond to the Company's request. No response was received by the Commission. The Company's application for video service authorization in the following political subdivisions shall be granted:

Political Subdivision	Fee Amount
Jasper County	0

The Commission has reviewed the application and motion to amend the application filed by the Company and finds that it and the attached affidavit comply with the filing requirements set forth in § 67.2679.7 RSMo 2000 (Cum. Supp. 2007).

IT IS ORDERED THAT:
