ORDER DIRECTING FILING

Issue Date: February 16, 2010

Effective Date: February 16, 2010

On February 10, 2010, the Commission issued its Report and Order. That order requires MGE to file tariffs in compliance with the Report and Order no later than February 17, and for Staff to file its Recommendation on February 18.

On February 16, Staff filed Staff's Response to Commission Order. Staff states that one day is insufficient time for Staff to review what it anticipates to be over forty pages of tariffs that MGE will file. Thus, Staff requests until February 22 to file a Recommendation.

Because the current deadline for Staff to file its Recommendation is imminent, the Commission will shorten time for parties to respond to Staff's request.

THE COMMISSION ORDERS THAT:

1. Any party who wishes to respond to the above-referenced request shall do so no later than February 17, 2010.

2. This order shall become effective immediately upon issuance.
