## **ORDER ACKNOWLEDGING ELECTION TO BE PRICE CAP REGULATED AND CLOSING CASE**

Issue Date: October 4, 2005

Effective Date: October 14, 2005

On September 13, 2005, Alltel Missouri, Inc. filed a Notice of Election to be Price Cap Regulated under Section 392.245, RSMo Supp. 2005. The Notice of Election indicates that Alltel is a small incumbent local exchange telecommunications company authorized to provide basic local telecommunications service in Missouri. Alltel indicates that two commercial mobile service providers are providing wireless two-way voice communications services in a part of its service area. Under the controlling statute, Section 392.245.2, RSMo, the presence of such competing wireless carriers allows a small incumbent local exchange telecommunications company to elect to be price cap regulated by providing written notice to the Commission.

On September 23, the Commission's Staff filed a recommendation in which it confirms that two commercial mobile service providers are providing wireless two-way voice communications in Alltel's Doniphan exchange. Staff recommends that the Commission issue an order taking notice of Alltel's election to be price cap regulated. The Commission will do so.

**IT IS THEREFORE ORDERED:**

1. That the Commission acknowledges Alltel Missouri, Inc.'s election to be price cap regulated under Section 392.245, RSMo Supp. 2005.
2. That this order shall become effective on October 14, 2005.
3. That this case shall be closed on October 15, 2005.
