**RE: Case No. GR-2001-382, Missouri Gas Energy
Tariff File No. 200100717**

Dear Mr. Roberts:

Enclosed for filing in this matter are an original and three (3) conformed copies of this letter.

The cover letter accompanying the revised tariff sheet filing which initiated this proceeding incorrectly stated that such tariff sheet bore a proposed effective date of January 25, 2001. In fact, the revised tariff sheet bears a proposed effective date of January 24, 2001.

It is MGE's intention that the revised tariff sheet take effect on January 24, 2001, as authorized by Sheet No. 24.11 of MGE's tariff. I apologize for any confusion this discrepancy may have caused.

Thank you in advance for bringing this matter to the attention of the Commission and the appropriate Commission personnel.

Sincerely,
