of CoBridge Telecom, LLC for Video Service)

File No. KA-2020-0159

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its Recommendation in this matter states as follows:

1. On December 4, 2019, CoBridge Telecom LLC (“CoBridge”) filed a notice of cancellation pursuant to rule 20 CSR 4240-28.011 to cancel CoBridge’s video service registration which was granted in Case No. KA-2011-0038.

2. 20 CSR 4240-28.011(3) provides:

Cancelling a certificate of service authority or registration may be accomplished by filing a letter signed by a company official into EFIS that identifies when and which specific certificate, registration, and any applicable tariffs should be cancelled.

3. Staff has examined the letter filed in EFIS, signed by company official Carl Lumley, which identifies that the cancellation of the video service registration for CoBridge is effective December 4, 2019, and has determined the letter complies with the rule.

WHEREFORE, Staff recommends that the Commission issue an order that cancels CoBridge’s registration of service authority, and for such other and further relief as is just under the circumstances.

Respectfully submitted,

/s/ Alexandra L. Klaus
