16	Q. What is the purpose of your surrebuttal testimony?

22	A. No. The DE is requesting to use up to 5 percent of the LIWP for an

program. The additional funding from SNG for its service territories would be in addition to

the federal program currently in place. Staff does not see the need for the DE to take 5 percent from these funds, for a service they are already providing from federal funds.

- Q. Does this conclude your surrebuttal testimony?
- A. Yes, it does.
