Annual Revenues for Natural Gas Service)

APPLICATION TO INTERVENE
BY THE MISSOURI PROPANE GAS ASSOCIATION

COMES NOW the Missouri Propane Gas Association (“MPGA”), by and through counsel, pursuant to Commission Rule 4 CSR 240-2.075, and respectfully applies for intervention as a party in this general rate case initiated by Summit Natural Gas of Missouri, Inc., (“Summit” or “Company”). In support of this application, MPGA states as follows:

1. MPGA is a non-profit corporation in good standing organized under the laws of the State of Missouri. MPGA is a trade association representing members who sell propane or propane appliances and equipment in Missouri. Its website can be accessed at <http://www.missouripropane.com/>.

2. Correspondence, communications, orders and the decision in this matter should be addressed to:

3. On January 8, 2014, the Commission issued an Order directing interested parties to intervene by January 28, 2013, and thus this Application is timely.

4. MPGA's interest in this matter relates to the proposed rates, terms and conditions of service for KCPL's residential electric customers. MPGA is especially interested in safety issues related to converting appliances from propane to natural gas, customer service, fair competition and fair business practices. This interest is different than the general public interest.

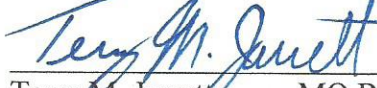

5. MPGA is opposed to any unjust and unreasonable revenue requirement or discriminatory rate design for Summit's customers. MPGA is unable to state its position relating to the relief sought by Summit. MPGA is continuing to review Summit's filing and reserves the right to provide the Commission with more detailed positions on Summit's proposals and testimony submitted in this case.

6. MPGA believes that its intervention and participation in this proceeding would serve the public interest by clarifying the issues under consideration, ensuring completeness of the record, and assisting the Commission in its decision-making in this case, and wishes to become a party to this case for all purposes.

WHEREFORE, MPGA respectfully requests that the Commission grant its Application to Intervene, entitling it to fully participate in this proceeding.

Respectfully submitted,

HEALY & HEALY,
