Executive Director
Missouri Manufactured Housing Association

Due to the very short notice for a meeting to discuss proposed changes, we have a limited number of parties able to attend on Thursday, September 21. We'd prefer a time of 10:30 to 11:00 please advise.

The short notice of the public hearing on Friday the 22nd is more difficult for our members to be available. We formally request that this public hearing be delayed 45 to 60 days to allow us sufficient time to properly prepare and allow our members time to schedule their attendance.

Thank you for the Commission's consideration in this most important matter.

Subject: Meeting

Good Morning,

With the upcoming hearing to discuss the proposed Manufactured Housing Rules, I am contacting you to see if you or other MMHA members would be interested in meeting sometime next week to discuss proposed changes. Currently anytime Monday, Wednesday, or Thursday would work, and before 9:30 or after 11 on Tuesday.

Thank you,

Justin Smith
