Re: TTI National, Inc. Cancellation of Certificate and Tariff

Dear Mr. Woodruff:

TTI National, Inc. (“TTI”) respectfully requests the Commission cancel its certificate of authority to provide resold intrastate interexchange telecommunications service in Missouri, which was granted on July 21, 1996 in Case No. TA-96-423, and its tariff, P.S.C. MO. No. 1.

Due to an internal restructuring, TTI no longer has any customers or operations in the state, and therefore requests cancellation of its certificate and tariff no later than **December 1, 2017**.

If you have any questions about this matter please do not hesitate to contact me.

Respectfully submitted,

Karl Tucker
