RE: Sunshine Law Request regarding Bert Brower and Ozark International

To the Secretary of the Commission:

The Office of Public Counsel ("OPC") hereby submits this Sunshine Law request, in compliance with Section 610 of the Revised Missouri Statute, seeking paper and/or electronic (preferably electronic) versions of the Missouri Public Service Commission ("Commission") records, reports, communication, emails and other documents pertaining to Ozark International and Bert Brower. This request is specifically directed to a water service provided to residents of Taney County, Missouri and specifically since January 1, 2006 and specifically to correspondence and product produced by or produced to Commission Staff David Spratt, Jim Busch, Jim Merciel, and Martin Hummel. We respectfully seek this request without the need for payment as we are wishing to use this information as part of our official role as a Type Three agency.

Please get back to me as soon as possible so that OPC can get a sense of when we can expect the Commissions' compliance with our request. Thank you very much.

Sincerely,

James M. Owen
Acting Public Counsel
