VIA ELECTRONIC FILING

Mr. Morris Woodruff, Secretary
Missouri Public Service Commission
P.O. Box 360
Jefferson City, MO 65102

**RE: Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty
Weather Normalization Adjustment Rider (“WNAR”)**

Dear Judge Woodruff:

I am providing herewith to the Missouri Public Service Commission for filing, in electronic form, the following revised tariff sheets:

Form 13 - P.S.C. MO. No. 2, 9th Revised Sheet No. 67.2;
Form 13 - P.S.C. MO. No. 2, 9th Revised Sheet No. 67.3;
Form 13 - P.S.C. MO. No. 2, 9th Revised Sheet No. 67.4; and
Form 13 - P.S.C. MO. No. 2, 9th Revised Sheet No. 67.5.

These revised tariff sheets, which have an issue date of September 1, 2022, and an effective date of October 1, 2022, are designed to reflect the October adjustment made pursuant to the Company’s WNAR for the six-month period ending September 2022. The rates are calculated semiannually to adjust for actual heating degree days as they differ from the normal levels and are effective for twelve months.

The Company’s WNAR tariff states that the Company shall determine the Semiannual Reconciliation Rate (“SRR”) based on the over- or under-billing during the twelve-month billing of each Current Semiannual WNA (“CSWNA”) and SRR using the effective CSWNA and SRR rates and nine months actual sales and three months projected sales. This filing includes the Company’s CSWNA reconciliation for the twelve-month period ending September 30, 2022. This CSWNA reconciliation establishes the SRR rates to be effective October 1, 2022.

Compared to currently existing rates, and assuming normal usage, the WNAR adjustment will adjust the average monthly bill of the typical residential customer by approximately:

(\$0.32) per month, or (0.81)% in the Company’s Northeast District;
(\$0.30) per month, or (0.76)% in the Company’s West District; and

\$0.23 per month, or 0.81% in the Company's Southeast District.

Such bill impacts may be less or more depending on a customer's actual usage, which is largely affected by weather.

Please bring this WNAR filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana Carter
