

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Le-Ru)	
Long Distance Company for Video Service)	Case No. KA-2008-____
Authorization)	

APPLICATION FOR VIDEO SERVICE AUTHORIZATION

Le-Ru Long Distance Company ("Le-Ru" or "Company"), by and through its undersigned counsel, pursuant to Section 67.2679(7), RSMo 2000 (Cum. Supp. 2007), and in accordance with Missouri Public Service Commission ("Commission") Rule 4 CSR 240-2.060, hereby makes application for a video service authorization that will allow Le-Ru to offer and supply video service and to construct, install, operate, and maintain a video service network in various political subdivisions and unincorporated areas within the state of Missouri. In support of its application, Le-Ru states as follows:

1. Le-Ru is a Missouri corporation with its principal office and place of business at 555 Carter Street, Stella, Missouri 64867. Le-Ru provides, or intends to provide, video service to customers in various political subdivisions and unincorporated areas located within the state of Missouri. In Case No. TA-2001-502, Le-Ru was granted authority to operate as an "interexchange telecommunications company," as that term is defined in Section 386.020(23), RSMo 2000. The Company is therefore subject to the regulatory jurisdiction of this Commission. A copy of Le-Ru's Certificate of Good Standing, issued by the Secretary of State of Missouri, is attached to this application as Appendix A and is incorporated herein by reference.

2. There are no final unsatisfied judgments or decisions pending against Le-Ru from any federal or state agency or court that involve customer service or rates, and Le-Ru has no annual report or assessment fees that are overdue.

3. Pleadings, notices, orders, and other correspondence and communications concerning this application should be addressed to the undersigned counsel and also to:

Robert L. Hart, President
Le-Ru Long Distance Company
555 Carter Street
Stella, MO 64867
Tele: (417) 628-3844
E-Mail: hartb@leru.net

4. Le-Ru currently provides or intends to provide "video service" through a "video service network" to customers located in various "political subdivision[s]" within the state of Missouri, as those terms are defined in Section 67.2677, RSMo 2000 (Cum. Supp. 2007). Some of those customers are or will be located within the corporate limits of a city, town, or village while other customers are or will be located in various unincorporated areas within the counties of Newton, Powell, and McDonald.

5. In the Village of Stella, Missouri, Le-Ru currently provides video service pursuant to a franchise, permit, license, resolution, ordinance, contract, certificate, agreement, or similar arrangement that previously was granted by the governing authority of that political subdivision. As allowed by Section 67.2679(9), RSMo 2000 (Cum. Supp. 2007), Le-Ru opts to continue to provide video service in the Village of Stella under the terms and conditions of the

existing franchise, permit, license, resolution, ordinance, contract, certificate, agreement, or similar arrangement until that arrangement expires or otherwise is terminated. Under the terms of that arrangement, Le-Ru pays the Village of Stella an annual franchise fee of 3 percent.

6. Le-Ru also provides or intends to provide video service to customers who are not located in the Village of Stella. These locations consist of the unincorporated areas within the counties of Newton, Powell, and McDonald. To enable the Company to construct, install, operate, and maintain a video network and to supply video service, Le-Ru asks the Commission to issue, in accordance with Sections 67.2679(4) and (7), RSMo 2000 (Cum. Supp. 2007), a video service authorization that will allow the Company to operate as a video service provider in each of the following political subdivisions:

Political Subdivision	Fee Amount
Newton County	0
McDonald County	0

7. As required by Section 67.2679.7, RSMo 2000 (Cum. Supp. 2007), an affidavit, signed by a Company officer, which affirms the following, accompanies this application as Appendix B and is incorporated herein by reference:

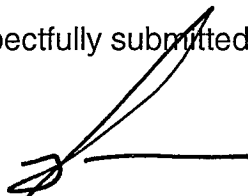

- (a) that Le-Ru agrees to comply with all applicable federal and state laws and regulations;
- (b) a list of political subdivision that are to be served by the Company;

- (c) the location and principal place of business of Le-Ru and the names of its principal executive officers;
- (d) that the Company has filed, or will timely file, with the Federal Communications Commission all forms required by that agency prior to offering video service;
- (e) that Le-Ru agrees to comply with all applicable regulations concerning use of the public rights-of-way, as provided in Sections 67.1830 to 67.1846, RSMo; and
- (f) that the Company is legally, financially, and technically qualified to provide video service.

8. In addition, to fulfill the requirements of Section 67.2679(5), RSMo 2000 (Cum. Supp. 2007), Le-Ru is providing a copy of this application to each of the political subdivisions wherein the Company provides or intends to provide video service, which will serve to advise and provide notice to each such political subdivision of the Company's intent.

WHEREFORE, Le-Ru requests the Commission to grant this application and to issue, within thirty (30) days of the filing date of this application, a video service authorization that allows the Company to construct a video service network along, across, or on public rights-of-way for the delivery of video service and to provide video service in each of the political subdivisions listed in paragraph 6 of this application.

Respectfully submitted,
