Dear Sir or Madam:

This letter is to notify the Missouri Public Service Commission that I. H. Utilities would like to settle the formal complaint case, which is filed against the Company. I do agree that the Company owes the annual assessment and the Annual Reports. I am working on getting the Annual Reports up to date. I would like to make arrangement to pay the annual assessment on a monthly rate of \$200.00 until all the assessments are up to date.

The Company agrees to work with the Missouri Public Service Commission however the Commission requests the Company to respond, either just with this letter or with a third-part mediator for voluntary mediation of the complaint. Which ever is in the best interest of I. H. Utilities to get all assessments and the Annual Reports up to date.

Please let me know your decision and the Company will comply with your decision and work very hard on getting everything up to date.

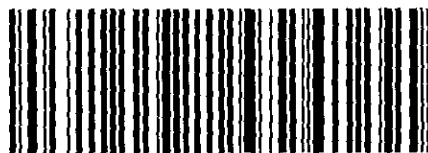

Sincerely,

Lois S. Stanley
