Re: Case Number MC2000-660

Dear Mr. Roberts:

Per order of the Commission, this letter is a report on the proceedings in the above-referenced cause. The last correspondence received in this office from the Commission was a request to set a pre-hearing conference. We have received no further communications from them since that time, the date of the last correspondence being September 15, 2000.

Discount Manufactured Housing has heretofore provided a report from the mobile home manufacturer as was agreed at the last mediation session. That report was submitted directly to the attorneys for the Public Service Commission.

At this time, there is a letter forthcoming from HUD, which we believe will express an opinion that the manufactured home in controversy is a permanent structure and therefore not subject to the regulations of the Missouri Public Service Commission.

Contact this office if you have further questions.

Respectfully submitted,

FITZGERALD, FITZGERALD & CARTER
