Missouri Public
Service Commission

Ref: Case Number TO-2000-469

Dear Commission,

I received an ORDER DIRECTING RESPONSE advising that State Discount Telephone on February 01, 2000 filed an application for approval of an interconnection agreement with Alltel Communications containing information advising the Commission that State Discount Telephone is a Partnership.

1. This is inaccurate information.
2. State Discount Telephone-Missouri is a SOLE-PROPRIETORSHIP.

Sincerely,

Harry L. Thielepape
