STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On June 22, 2011, the Commission received a notification and tariffs bearing an effective date of July 22, 2011, which reflect the name change of Norlight, Inc. to Windstream Norlight, Inc.

2. Rule 4 CSR 240-2.060 establishes filing requirements for certificated company name changes; as noted in the attached Staff Memorandum, the Company has complied with the rule, including the customer notice provisions. No entities intervened to oppose the name change. The Company is not delinquent in any required filings with the Commission. The filed revised tariff sheets are compliant with Commission rules.
