**NEIGHBORS UNITED AGAINST AMEREN’S POWER LINE’S UNOPPOSED  
REQUEST FOR ADDITIONAL TIME TO FILE PROCEDURAL SCHEDULES**

**COMES NOW** Neighbors United Against Ameren’s Power Line (Neighbors United), by and through the undersigned counsel, and hereby respectfully requests the Commission to allow all parties a one-week extension of time in order to file their procedural schedules up to and including November 15, 2017. In support, the undersigned states as follows:

1. On October 25, 2017, the Commission convened a prehearing conference in this matter. Regulatory Law Judge Pridgin requested the parties to file proposed procedural schedules no later than November 1, 2017.
2. On November 1, 2017, Neighbors United filed an unopposed motion to extend the time for file proposed procedural schedules. On that same day, the Commission granted said motion and ordered that the parties file proposed procedural schedules no later than November 8, 2017.
3. Neighbors United and ATXI have engaged in discussions to explore whether an amicable resolution of the issues relating to the scheduling order and other issues between the two of them can be reached. At this time, both parties indicate that a resolution in principle has been agreed to.
4. A one week continuance to file a proposed procedural schedule will allow Neighbors United and ATXI additional time to complete any further discussion necessary to come to a meeting of the minds regarding the current issues and concerns between them. This additional time will also allow Neighbors United and ATXI to complete any necessary prerequisites, including drafting and execution of any documents necessary to facilitate a resolution of the issues dividing them.

5. Neighbors United has inquired of the other parties involved in this matter, as to whether they are opposed to a one-week extension of time to file the proposed procedural schedules. ATXI, Staff, OPC, Ameren Missouri, MISO, and IBEW Local 2, have all indicated that they have no objection to this request. At the time of this filing, Neighbors United has not received any response from Wind on the Wires as to their position in this matter.

**WHEREFORE**, the undersigned on behalf of Neighbors United asks the Commission to allow the time to file proposed procedural schedules in this matter to be enlarged until or before, including, November 15, 2017, and for all other relief entitled to under this request.

Respectfully submitted,

GIBBS POOL AND TURNER, P.C.
