TARIFF FORMAT

A. Page Numbering - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.

B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Page 14 cancels the third revised Page 14. Because of various suspension periods, deferrals, etc. the Commission follows in their tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect.

C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i).
- 2.1.1.A.1.(a).I.(i).(1).

SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Matrix Telecom, Inc..**

This tariff contains the regulations and rates applicable to intrastate and intraLATA resale telecommunications services provided by Matrix for telecommunications between points within the State of Missouri. Resale services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company's services are provided on a statewide basis and are not intended to be limited geographically. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the company's services shall file a service application with the Company which fully identifies the Customer, the services requested and other information requested by the Company. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement. The Company does not own any switching, transmission or other physical facilities in Missouri.

- 2.1.1 The services provided by Matrix are not part of a joint undertaking with any other entity providing telecommunications channels, facilities, or services, but may involve the resale of the Message Toll Services (MTS) and Wide Area Telecommunications Services (WATS) of underlying common carriers subject to the jurisdiction of this Commission.
- 2.1.2 The rates and regulations contained in this tariff apply only to the resale services furnished by Matrix and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carriers for use in accessing the services of Matrix.

2. RULES AND REGULATIONS (continued)

2.1 Undertaking of Matrix Telecom, Inc. (continued)

2.1.3 The Company reserves the right to limit the length of communications, to discontinue furnishing services, or limit the use of service necessitated by conditions beyond its control, including, without limitation: lack of satellite or other transmission medium capacity; the revision, alteration or repricing of the Underlying Carrier's tariffed offerings; or when the use of service becomes or is in violation of the law or a provision of this tariff.

2.1.4 The Company's services and facilities are provided on a monthly basis unless ordered on a longer term basis, and are available twenty-four hours per day, seven days per week.

2.2 Use and Limitations of Services

2.2.1 Matrix's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of services, subject to any limitations set forth in this Section 2.2.

2.2.2 The use of Matrix's services to make calls which might reasonably be expected to frighten, abuse, torment, or harass another or in such a way as to unreasonably interfere with use by others is prohibited.

2.2.3 The use of Matrix's services without payment for service or attempting to avoid payment for service by fraudulent means or devices, schemes, false or invalid numbers, or false calling or credit cards is prohibited.

2.2.4 Matrix does not transmit messages, but the services may be used for that purpose.

2.2.5 Matrix's services may be denied for nonpayment of charges or for other violations of this tariff subject to Section 2.5 herein.

2. RULES AND REGULATIONS (continued)

2.2 Use and Limitations of Services (continued)

- 2.2.6 Customers shall not use the service provided under this tariff for any unlawful purpose.
- 2.2.7 The Customer is responsible for notifying the Company immediately of any unauthorized use of services.
- 2.2.8 All facilities provided under this tariff are directly controlled by Matrix Telecom, Inc. and the Customer may not transfer or assign the use of the service or facilities, except with the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.9 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transfers.

2.3 Liability of the Company

- 2.3.1 The Company shall not be liable for any claim, loss, expense or damage for any interruption, delay, error, omission, or defect in any service, facility or transmission provided under this tariff, if caused by an act of God, fire, war, civil disturbance, act of government, or due to any other causes beyond the Company's control.
- 2.3.2 The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer against any claim, loss, expense, or damage for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, trade name or service mark, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data or information transmitted.
- 2.3.3 No agent or employee of any other carrier or entity shall be deemed to be an agent or employee of the Company.

2. RULES AND REGULATIONS (continued)

2.3 Liability of the Company (continued)

- 2.3.4 The Company's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities, and not caused by the negligence of its employees or its agents, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the aforementioned faults in transmission occur. No other liability in any event shall attach to the Company, except as ordered by the Commission.
- 2.3.5 The Company shall not be liable for and shall be indemnified and saved harmless by any Customer or by any other entity from any and all loss, claims, demands, suits, or other action or any liability whatsoever, whether suffered, made, instituted, or asserted by any Customer or any other entity for any personal injury to, or death of, any person or persons, and for any loss, damage, defacement or destruction of the premises of any Customer or any other entity of any other property whether owned or controlled by the Customer or others.
- 2.3.6 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service.
- 2.3.7 The remedies set forth herein are exclusive and in lieu of all other warranties and remedies, whether express or implied, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2. RULES AND REGULATIONS (continued)

2.4 Responsibilities of the Customer or Subscriber

- 2.4.1 The Customer is responsible for placing any necessary orders, for complying with tariff regulations, and for assuring that users comply with tariff regulations. The Customer shall ensure compliance with any applicable laws, regulations, orders or other requirements (as they exist from time to time) of any governmental entity relating to services provided or made available by the Customer to authorized users.
- 2.4.2 The Customer is responsible for charges incurred for special construction and/or special facilities which the Customer requests and which are ordered by Matrix on the Customer's behalf.
- 2.4.3 If required for the provision of Matrix services, the Customer must provide any equipment space, supporting structure, conduit and electrical power without charge to the Company.
- 2.4.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for the Company personnel to install, repair, maintain, program, inspect or remove equipment associated with the provision of Matrix's services.

2. RULES AND REGULATIONS (continued)

2.4 Responsibilities of the Customer or Subscriber (continued)

2.4.5 The Customer shall ensure that its equipment and/or system is properly interfaced with Matrix facilities or services, that the signals emitted into the Matrix network are of the proper mode, bandwidth, power, and signal level for the intended use of the Customer in compliance with the criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, Matrix will permit such equipment to be connected with its channels without the use of protective interface devices.

If the Customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Matrix equipment, personnel, or the quality of service to other Customers, Matrix may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, Matrix may, upon written notice, terminate the Customer's service.

2.4.6 The Customer must pay the Company for replacement or repair of damage to the equipment or facilities of the Company caused by negligence or willful act of the Customer, users, or others, by improper use of the services, or by use of equipment provided by the Customer, users, or others.

2.4.7 The Customer must pay for the loss through theft of any Matrix equipment installed at Customer's premises.

2.4.8 The Customer or authorized user is responsible for compliance with the applicable regulations set forth in this tariff.

2.4.9 The Customer or authorized user is responsible for identifying the station, party, or person with whom communications is desired and/or made at the called number.

2. RULES AND REGULATIONS (continued)

2.5 Cancellation or Discontinuance of Services

- 2.5.1 Without incurring liability, Matrix may, upon five working days written notice, discontinue services to a Customer or may withhold the provision of ordered or contracted services:
- 2.5.1.A For nonpayment of any sum due Matrix for more than thirty days after issuance of the bill for the amount due,
 - 2.5.1.B For violation of any of the provisions of this tariff,
 - 2.5.1.C For violation of any law, rule, regulation or policy of any governing authority having jurisdiction over the Company's services, or
 - 2.5.1.D By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting Matrix from furnishing its services.
- 2.5.2 Without incurring liability, Matrix may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and Company's equipment and services and may continue such interruption until any items of non-compliance or improper equipment operation so identified are rectified.
- 2.5.3 Service may be discontinued by Matrix, without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using a call screening method which generates a network message not allowing calls to complete, when Matrix deems it necessary to take such action to prevent unlawful use of its service. Matrix will restore service as soon as it can be provided without undue risk.
- 2.5.4 The Customer may terminate service upon verbal or written notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage and be responsible for payment until the Customer or its agent notifies its local exchange carrier and changes its long distance carrier.

2. RULES AND REGULATIONS (continued)**2.6 Interruption of Service**

- 2.6.1 Credit allowance for the interruption of service which is not due to the Company's testing, inspecting, or adjusting, of equipment; or to the failure of channels or equipment provided by the Customer; or to the Company's blocking of services to certain locations; and that is not caused by the Customer, is subject to the general liability provisions set forth in 2.3 herein. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Company's facilities.
- 2.6.2 No credit is allowed in the event that service must be interrupted for less than two hours in order to provide routine service quality or related investigations.
- 2.6.3 Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company.
- 2.6.4 Credit for interruption shall commence after the Customer notifies the Company of the interruption or when the Company becomes aware thereof, and ceases when service has been restored.
- 2.6.5 For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.6 No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.6.7 The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

2. RULES AND REGULATIONS (continued)

2.7 Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission

2.8 Deposits

The Company does not require a deposit from the Customer.

2.9 Advance Payments

For Customers whom the Company feels an advance payment is necessary, the Company reserves the right to collect an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and if necessary a new advance payment will be collected for the next month.

2.10 Taxes

All federal, state and local taxes, assessments, surcharges, or fees (i.e., gross receipts tax, sales tax, use tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.11 Billing and Charges

2.11.1 Customers may be billed directly by Matrix or by the local exchange carrier on behalf of Matrix. Billing will be payable upon receipt and will be considered past due if not paid within 15 days.

2.11.2 The Customer is responsible for payment of all charges for services furnished to the Customer, as well as to all persons using the Customer's codes, exchange lines, facilities, or equipment, with or without the knowledge or consent of the Customer. The security of the Customer's Authorization Codes, subscribed exchange lines, and direct connect facilities is the responsibility of the Customer. All calls placed using direct connect facilities, subscribed exchange lines, or Authorization Codes will be billed to and must be paid by the Customer. Recurring charges and non-recurring charges are billed in advance. Charges based on actual usage during a month and any accrued interest will be billed monthly in arrears.

2.12 Customer Complaints and/or Billing Disputes

2.12.1 Customers may contact Matrix's representatives 24 hours a day, 7 days a week at (800) 282-0242, or by writing to Matrix Telecom, Inc., Customer Service Division, P.O. Box 272375, Oklahoma City, OK 73137. You may also contact Matrix's representatives at custserv@matrixvalue.com.

2.12.2 Any objection to billed charges should be reported promptly to Matrix. Adjustments to Customers' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate. A Customer who is unable to resolve a billing dispute with the Company may contact the Commission to intervene in the billing dispute.

2.12.3 In the event the disputed charges are not resolved, the Company shall inform the Customer that the Customer may utilize the complaint procedures of the Commission's Consumer Services Division. The Company shall provide the Customer with the following information:

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Timing of Calls

- 3.1.1 The Customer's long distance usage charge is based on the actual usage of Matrix Telecom, Inc.'s network. Usage begins when the called party picks up the receiver. When the called party picks up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. When software answer supervision is employed, up to 60 seconds of ringing is allowed before it is billed as usage of the network. A call is terminated when either the called or calling party hangs up. There will be no charges for incomplete calls.
- 3.1.2 The minimum call duration and initial billing period is 60 seconds for all intrastate direct dialed calls unless otherwise specified by this tariff. Any additional period is measured and rounded to the next higher 60 second increment unless otherwise specified by this tariff.

3. DESCRIPTION OF SERVICE (continued)

3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4

FORMULA:
$$2 \sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

EXAMPLE: Distance between Miami and New York City -

VH

Miami	8,351	529
New York	<u>4,997</u>	<u>1,406</u>
Difference	3,354	-879

Square and add: $11,249,316 + 772,641 = 12,021,957$

Divide by 10 and round: $12,021,957 / 10 = 1,202,195.70$
 $= 1,202,196$

Take square root and round: $1,202,196 = 1,096.4$
 $= 1,097 \text{ miles}$

4. RATES (continued)**4.6 Special Rates****4.6.1 Discount for Hearing Impaired Customers:**

A telephone toll message which is communicated using a telecommunications device for the deaf (TDD) by properly certified hearing or speech impaired persons or properly certified business establishments for individuals equipped with TDDs for communicating with hearing or speech impaired persons will receive, upon request, a discount for calls placed between TDDs. The credit to be given on a subsequent bill for such calls placed between TDDs will result in the application of the evening rate for calls made during daytime hours and night rates for calls made during evening and night hours. Discounts do not apply to surcharges or per call add on charges for operator service when the call is placed by a method that would normally incur the surcharge.

4.6.2 Operator Assistance for Handicapped Persons:

Operator station surcharges will not be charged by the Company for operator assistance provided to a caller who identified him or herself as being handicapped and unable to dial the call because of a handicap.

4.6.3 Directory Assistance for Handicapped Persons:

There is no charge for Directory Assistance calls from handicapped persons. Such persons must contact the Company for credit on their directory assistance calls.

4.6.4 Discount for Telecommunications Relay Service Intrastate Toll Calls

Intrastate toll telecommunications relay service calls will be discounted by 50 percent off of the otherwise applicable rate for a voice nonrelay call except that where either the calling or called party indicates that either party is both hearing and visually impaired, the call will be discounted 60 percent off the otherwise applicable rate for a voice nonrelay call. The above discounts apply only to time-sensitive elements of a charge for the call and shall not apply to per call charges or surcharges.
