Presentation filed in docket

Cost-Effectiveness and Non-Energy Benefits Group:

Martin Hyman – Missouri Division of Energy

Reported on meeting held- bulk of work will occur at next meeting.

Next Meeting Being Planned

Evaluation, Measurement and Verification (EM&V):

Bob Willen – Ameren

Circulated draft proposal for protocols for EM&V for Missouri (draft proposal filed in docket)– by rule must be in place by end of year. Requesting comments on proposal.

Financing Work Group:

Andrew Linhares – Renew Missouri

Limited activity – phone call this summer to identify opportunities, linking customers with lenders, best practices.

Addressed studies from utilities – and interest in having a follow-up meeting.

Discussed PAYS®/On-Bill Concepts.

**2. City Sustainability Presentations and Panel: Benchmarking and Efficiency Goals**

St. Louis Representative – Rajiv Ravulapati

Addressed City Benchmarking Ordinance for 50 K square feet+ buildings

US Green Building Council – Emily Andrews

Connects St. Louis Sustainability Plan and ordinance with climate goals addressed in Paris Agreement

Columbia Water & Light – Eric Hemple

Columbia has Better Buildings Challenge – reducing energy in municipal buildings. \$10s of k of reduction in bills. Looking at other cities for rentals and renters for energy savings.

City of Kansas City/Independence – Philip Fracica

KC began benchmarking before St. Louis – annual report due December 2019. Community buildings scores were high – 74 to 75. Electricity use down by 5% since 2013. Success attributed to MEEIA programs.

- 3.** Group discussions based upon panel presentations. Each group came up with ideas in response to a series of models in existence to achieve sustainability and efficiency goals, actions currently being taking regarding sustainability, first steps etc.
- 4.** Customer Education & Demand Side Management / Energy Billing Statements Presentation - Dr. Geoff Marke  
Presentation filed in docket.
- 5.** City of Columbia will host next meeting  
Meeting location and date to be determined.
