STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On February 2, 2021, Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri") filed with the Missouri Public Service Commission its *Application for Approval of an Amendment to a Paging Facilities Agreement* between itself and American Messaging Services, LLC ("American Messaging Services").

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Paging Facilities Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the *Application*. AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier and is a registered VoIP provider. American Messaging Services is a wireless/cellular provider.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,

/s/ Ron Irving
