Bell Telephone Company, d/b/a AT&T Missouri,) **File No. IK-2012-0395**
For Approval of Interconnection Agreement)
Under the Telecommunications Act of 1996)

ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING SPECTROTEL, INC. A PARTY

Issue Date: May 25, 2012

Effective Date: May 25, 2012

Syllabus: This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection agreement, Spectrotel, Inc. ("Spectrotel"), as a party to this proceeding.

On May 24, 2012, Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri") filed an application with the Commission for approval of a negotiated interconnection agreement with Spectrotel under the provisions of the federal Telecommunications Act of 1996. AT&T Missouri states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although Spectrotel is a party to the agreement, it did not join in the application. Because Spectrotel is a necessary party to a full and fair adjudication of this matter, the Commission will add Spectrotel as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Spectrotel, Inc. is made a party to this case.
3. Any party wishing to request a hearing shall do so by filing a pleading no later than June 11, 2012, with:

Steven C. Reed, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information service.

4. If no other person or entity intervenes, the Staff of the Commission shall file a memorandum advising either approval or rejection of this agreement and giving the reasons therefore no later than June 25, 2012.

¹ 47 U.S.C. § 252(e).

5. This order shall become effective upon issuance.
