RE: Market Based Demand Response Tariff Filing

Dear Madam Secretary:

Enclosed please find the redline and clean version of the Market Based Demand Response tariff (Schedule MBDR), sheet No. 156.1 for Evergy Missouri West. The attached revision was omitted when the tariff was filed in Docket No. ER-2022-0130. The update is being made to remain consistent with the Evergy Missouri Metro tariff sheet 26A filed in Docket No. ER-2022-0129.

Please contact me directly at 816-652-1120 or tia.alexander@evergy.com if you require further information.

Sincerely,

Tia Alexander
