for Approval of an Amendment to an)
Interconnection Agreement Under the)
Telecommunications Act of 1996)

File No. IK-2019-0016

ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING XO COMMUNICATIONS SERVICES, LLC, f/k/a XO COMMUNICATIONS SERVICES, INC. A PARTY

Issue Date: July 25, 2018

Effective Date: July 25, 2018

This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection agreement, XO Communications Services, LLC, f/k/a XO Communications Services, Inc. ("XO Communications Services").

On July 20, 2018, Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("Southwestern Bell") filed an application with the Commission for approval of the Amendment to the Interconnection Agreement between Southwestern Bell and XO Communications Services under the provisions of the Federal Telecommunications Act of 1996. Southwestern Bell represents that that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with the public interest, convenient and necessary, and is not discriminatory to nonparty carriers.

Although XO Communications Services is a party to the agreement, it did not join in the application. Because XO Communications Services is a necessary party to a full and

fair adjudication of this matter, the Commission will add XO Communications Services as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. XO Communications Services, LLC, f/k/a XO Communications Services, Inc. is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than August 9, 2018, with:

Morris L. Woodruff, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information system (EFIS).

¹ 47 U.S.C. § 252(e).

4. The Staff of the Commission shall file a recommendation advising either approval or rejection of this agreement and giving the reasons therefor no later than August 27, 2018.

5. This order shall be effective when issued.
