RE: Water Utility Small Company Rate Increase Reque  
Tariff Filing to Establish Formal Rate Case Docket  
MO PSC Work I.D. No. QW-2006-0006

UTILITY OPERATIONS  
DIVISION

Dear Secretary:

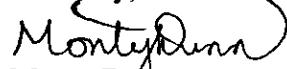

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between the Moore Bend Water Company (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on May 25, 2006 under the provisions of the Commission's small company rate increase procedure, and the request was assigned the above-referenced tracking number.

Since the above-referenced Disposition Agreement is between the Company, the Staff and the OPC, the enclosed tariff sheets bear an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure. Additionally, please be advised that it is my understanding that the Staff will be filing the Disposition Agreement with the Commission, once a formal rate case docket has been established pursuant to this tariff filing.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$6,673 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Monty Dunn

President, Moore Bend Water Company
