**RE: Case No. EO-2005-0329**

Dear Ms. Dale:

At the conclusion of the reconvened hearing held on July 12, 2005 in the above-referenced matter, Judge Pridgin ordered Proposed Findings of Fact and Conclusions of Law be filed with the Commission by Tuesday, July 19, 2005. In addition, Judge Pridgin recommended that the Commission receive, to the extent possible, "just one set of Proposed Findings of Fact and Conclusions of Law from those signatories [to the Stipulation and Agreement] and one set of Proposed Findings of Fact and Conclusions of Law who are not signatories." (Tr. pp. 1039-1040).

In accordance with that directive, Kansas City Power & Light Company ("KCPL") prepared, and circulated to the Signatory Parties for review on July 18, 2005, the Proposed Findings of Fact and Conclusions of Law accompanying this cover letter. Staff Counsel asked that I indicate to the Commission in this letter that (1) the Staff has availed itself of the opportunity to submit suggestions to KCPL, and (2) KCPL has incorporated the Staff's suggestions in the accompanying draft.

As suggested by Staff Counsel on the record, KCPL would anticipate that to the extent other Signatory Parties do not concur with the attached Proposed Findings of Fact and Conclusions of Law, they will be submitting their own language regarding those specific items or areas with which they do not concur.

Thank you for bringing this filing to the attention of the appropriate Commission personnel.

Sincerely,  
  
James M. Fischer
