On May 14, the parties filed a Response to May 11, 2020 Order. parties also advised the Commission they were hopeful the case would settle. If it does not, the parties stated they would likely request the procedural schedule be suspended and propose a new one in order to receive additional testimony from homeowners and other witnesses. For purposes of administrative efficiency and economy in preparation for the hearing, the Commission will order the parties to file a status report.

THE COMMISSION ORDERS THAT:

1. No later than May 21, 2020, the parties shall file a status report addressing the matters described in the body of this order.
2. This order shall be effective when issued.
