## NOTICE CONCERNING PROCEDURES

Date Issued: July 23, 2020

This case is set for an evidentiary hearing on July 27, 2020. On July 23, 2020, the Commission was advised by email the case is settling. The Commission has been asked about the status of the procedural order, but the parties have filed nothing of record concerning a settlement or a stay of the proceedings. Because case settlement has been the subject only of informal emails, because of the many moving parts involved in the procedural order, and so as to avoid confusion and misunderstanding that may arise otherwise, the Commission gives notice that until the parties have filed of record an appropriate pleading or other filing in EFIS, the current procedural schedule, orders, and deadlines will remain in full force and effect.

by delegation of authority pursuant to  
Section 386.240, RSMo 2016.
