RESPONSE TO MAY 11, 2020 ORDER

COME NOW The Manager of the Manufactured Housing and Modular Units Program ("Manager"), and Charles W. Brune and Anna G. Brune, d/b/a Brune Mobile Sales, through counsel, and respond to the Commission's May 11, 2020 *Expedited Order Directing Filing and Rescheduling Settlement Conference.*

In this order, the Commission ordered the parties to address whether the current *Order Adopting Procedural Schedule* allows the Manager to present live testimony. The parties believe that the current procedural schedule does not accommodate live testimony from witnesses who did not submit prefiled testimony.

The parties held their settlement conference yesterday, May 13, and are hopeful that they can resolve this matter. If an agreement in principle is not reached prior to the hearing, the parties will likely request that the current procedural schedule be suspended, and will likely propose a new procedural schedule in order to receive additional testimony from homeowners and other witnesses.

Respectfully submitted,

/s/ Karen E. Bretz
