Enhanced Directory Assistance®
We'll find it for you.

Infone is far superior to regular directory assistance. Our operators are real people ready to provide you with the personal service you deserve.

If you're not sure which city your friend is in or not completely sure of the name of the business you're looking for, no worries... our operators can help.

With Infone you get:

- Local, professional and helpful operators.
- Local and national directory assistance.
- Connection to your listing at no additional charge.
- [StarBack®](#) Feature – before you hang up your phone,

press the  key to return to an operator for free!
