of Convenience and Necessity to	)	
Construct, Install, Own, Operate,	)	
Maintain, and Otherwise Control and	)	
Manage a Gas Gathering System	)	

MOTION FOR EXTENSION OF TIME TO REPLY

COMES NOW the Missouri Office of the Public Counsel ("OPC") and for its Motion for Extension of Time to Reply states:

1. On April 12, 2016, Roeslein Alternative Energy Services, LLC ("RAES") filed an application requesting the Commission issue an order declining jurisdiction over RAES, or in the alternative, issue an order approving a certificate of convenience and necessity authorizing RAES to construct, install, own, operate, maintain and otherwise control and manage a gas gathering system.

2. On June 28, 2016, the Public Service Commission's Staff ("Staff") filed a Staff Recommendation wherein Staff recommends the Commission issue an order finding the Commission does not have jurisdiction over the proposed Central Corridor Pipeline portion of RAES' proposal, and reserve jurisdictional review for the proposed Eastern and Western Corridor Pipelines when such information is available.

3. Responses to the Staff's Recommendation are due within ten days, or in this case, July 8, 2016. OPC has concerns with the Staff's conclusions and has sought

additional explanations from Staff and RAES regarding the proposal. For this reason, OPC requests an additional week to respond to the Staff Recommendation.

4. Counsel for RAES and Staff advised OPC that they have no objections to a one-week extension.

WHEREFORE, the Office of the Public Counsel respectfully requests that the due date for its reply to the Staff Recommendation be extended to July 15, 2016.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL

By: /s/ Marc D. Poston
