6                                   **GENERAL RATE CASE**

7                                   **CASE NO. GR-2021-0108**

8                   Q.     Please state your name and business address.

9                   A.     My name is Robin Kliethermes, and my business address is 200 Madison Street,  
10                  Jefferson City, MO 65102.

11                  Q.     By whom are you employed and in what capacity?

12                  A.     I am employed by the Missouri Public Service Commission (“Commission”) as  
13                  the Regulatory Compliance Manager of the Tariff/Rate Design Department in the Industrial  
14                  Analysis Division.

15                  Q.     Are you the same Robin Kliethermes who filed supplemental direct, rebuttal,  
16                  and surrebuttal testimony?

17                  A.     Yes I am.

18                  Q.     What is the purpose of your testimony?

19                  A.     The purpose of my true-up rebuttal testimony is to address the Company  
20                  witness Michelle Antrainer’s true-up direct testimony regarding billing determinants and retail  
21                  rate revenues.

22                  Q.     Did Ms. Antrainer propose adjustments to billing determinants and revenue in  
23                  her true-up direct testimony?

True-Up Rebuttal Testimony of  
Robin Kliethermes

1           A.     Yes. Ms. Antrainer on page 2 lines 20 through 23 and page 3 lines 1 through 3,  
2 she mentions the level of true-up operating revenues and briefly mentions the revenues include  
3 an adjustment for conservation and a customer annualization through May 31, 2021.

4           Q.     Does Staff recommend these adjustments?

5           A.     No. Staff supports the billing determinants attached in Appendix A to  
6 the Partial Stipulation and Agreement filed on July 30, 2021 and the retail rate revenues  
7 listed on page 12 of the Partial Stipulation and Agreement. Staff recommends the Commission  
8 approve the Partial Stipulation and Agreement. If the Commission does not approve  
9 the Partial Stipulation and Agreement, Staff recommends the Commission reject the  
10 Company's adjustments for reasons already stated in my rebuttal and surrebuttal testimonies.

11          Q.     Does this conclude your testimony?

12          A.     Yes.
