STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and recommends that the Missouri Public Service Commission (Commission) cancel the certificate of competitive local exchange and interexchange service authority in Missouri of 3L Communications of Missouri, LLC (“the Company”) and states as follows:

1. The Commission granted the Company a certificate of competitive local exchange and interexchange service authority in Case No. TA-2012-0201.

2. On October 21, 2015, the Company notified the Commission that it no longer wished to retain its certification to provide telecommunications services in Missouri, as it no longer offered or provided telecommunications services in Missouri.

3. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

4. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, the Staff respectfully recommends the Commission cancel the certificate of service authority to provide competitive local exchange and interexchange telecommunications service in Missouri and the tariffs of 3L Communications of Missouri, LLC.

Respectfully submitted,
