Re: Staff of the Public Service Commission of the  
State of Missouri v. Comcast IP Phone, LLC  
Case No. TC-2007-0111

Dear Judge Dale:

Although Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri, ("AT&T Missouri") is not a party to this proceeding, we are writing to express our support for the Missouri Public Service Commission ("Commission") suspending the procedural schedule in this case.

As indicated by Respondent Comcast IP Phone, LLC ("Comcast") and Intervenor Missouri Independent Telephone Group ("MITG") in their Joint Motion to Suspend the Procedural Schedule, a joint study group is being formed, with representation of all interested stakeholders, to examine the issues of Voice over Internet Protocol ("VoIP") regulation at the end of the current legislative session of the Missouri General Assembly.

AT&T Missouri concurs with Comcast, the MITG, and other interested parties that have filed in support of the Joint Motion that the procedural schedule in this case should be suspended while this interim study group meets.

Thank you for bringing this letter to the Commission's attention.

Very truly yours,
