Case No. LA-2005-0193

AMENDED APPLICATION FOR CERTIFICATE OF SERVICE AUTHORITY
TO PROVIDE BASIC LOCAL EXCHANGE TELECOMMUNICATIONS SERVICE
AND FOR COMPETITIVE CLASSIFICATION

COMES NOW France Telecom Corporate Solutions LLC (hereinafter "FTCS"), by its undersigned counsel, and hereby applies, pursuant to Section 392.361, 392.410, 392.420, 392.430 and 392.450 RSMo 2000, the federal Telecommunications Act of 1996, and 4 CSR 240.2.060, for authority to provide basic local telecommunications service in portions of the State of Missouri and to classify said service and company as competitive. In support of its application FTCS states as follows:

1. Applicant France Telecom Corporate Solutions LLC is a limited liability company duly organized and existing under and by virtue of the laws of the State of Delaware and duly authorized to transact business in the State of Missouri. Copies of FTC's certificate of formation and authority to transact business in Missouri were provided with the initial Application.
2. All inquires, correspondence, communications, pleadings, notices, orders and decisions relating to the case should be addressed to:

Paul H. Gardner
Pamela Q. Henrickson
Goller, Gardner and Feather, P.C.
131 E. High Street
Jefferson City, MO 65101

Please provide copies to:

William K. Coulter
Coudert Brothers LLP
1627 I Street, NW
Washington, DC 20006

3. FTCS proposes to provide basic local exchange telecommunications service on a resale basis, throughout all exchanges currently served by the incumbent local exchange telecommunication companies of Sprint Missouri and SBC Missouri. The specific exchanges within which FTCS proposes to offer service are listed in the incumbent provider's respective local exchange tariffs. FTCS may seek authority to provide this service in other areas of the state in a subsequent proceeding. FTCS proposes to provide interexchange telecommunications services throughout the entire State of Missouri.
4. Pursuant to this application FTCS seeks to offer and provide all forms of basic local and interexchange telecommunications services on a resale basis within the State. FTCS intends to market services mainly to business customers. Initially, FTCS will provide Local Exchange Service, Virtual Private Network Service, Local Dedicated Service, Integrated Services Digital Network Primary Rate Interface (ISDN-PRI). Applicant also intends to provide the following interexchange services: Switched Interexchange Service, Dedicated Interexchange Service, Virtual Private Network Service, Frame Relay Service, Carrier 800 Service, Private Line Service and Travel Calling Card Service, In addition, FTCS intends to provide resold commercial mobile radio service.
5. FTCS possesses the technical and managerial expertise and experience necessary to provide the services it proposes. Description of backgrounds of FTCS's management, which demonstrate the extensive experience and expertise, were provided with the initial Application.
6. FTCS seeks classification of itself and its service as competitive.

7. FTCS will offer basic local telecommunications service as a separate and distinct service in accordance with applicable law. FTCS will give consideration to equitable access for all Missourians, regardless of where they might reside or their income, to affordable telecommunications services in FTCS's proposed service areas in accordance with applicable law.
8. FTCS is willing to comply with all applicable Commission rules and is willing to meet all relevant service standards, including, but not limited to billing, quality of service, and tariff filing and maintenance in a manner consistent with the Commission's requirements for incumbent local exchange carrier(s) with whom FTCS seeks authority to compete. Additionally, FTCS Agrees that, pursuant to Section 392.455(3) & (4) RSMo 2000, its service area shall be no smaller than an exchange and FTCS will offer basic local telecommunications service as a separate and distinct service. Consistent with the Commission's treatment of other certificated local exchange telecommunications companies, FTCS requests that the following statutes and regulations be waived for FTCS and its basic local exchange service offerings:

<u>Statutes</u>	<u>Missouri Public Service Commission Rules</u>
392.210.2	4 CSR 240-3.550(5)(C)
392.240.1	4 CSR 240-10.020
392.270	4 CSR 240-30.040
392.280	
392.290	
392.300.2	
392.310	
392.320	
392.330	
392.340	

9. Pursuant to 4 CSR 240.3.510(1)(C), attached hereto as Exhibit D are FTCS's proposed initial tariffs with an effective date of July 15, 2005. FTCS will resell the services of its underlying carrier, to its customers. FTCS intends to purchase service from its underlying carriers pursuant to tariff or resale agreements.
10. FTCS submits that the public interest will be served by Commission approval of this

application because FTCS's proposed services will create and enhance competition and expand customer service options consistent with the legislative goals set forth in the federal Telecommunications Act of 1996 and Chapter 392 RSMo. Prompt approval of this application also will expand the availability of innovative, high quality, and reliable telecommunications services within the State of Missouri.

11. FTCS supplements its original financial information with Exhibits F and G attached hereto and incorporated by reference.
12. There is no pending legal action and no unsatisfied final judgments or adverse decision from any state or federal agency or court which involves customer service or rates which have occurred in the last three years.
13. There are no annual reports or assessment fees overdue.

WHEREFORE, applicant France Telecom Corporate Solutions LLC respectfully requests that the Commission grant it a certificate of service authority to provide basic local telecommunications services as herein requested, classify FTCS and its proposed services as competitive, and grant a waiver of the aforesaid statutes and regulations.

Respectfully submitted,
