**REQUEST FOR HEARING AND PREHEARING CONFERENCE
OF LAKE PERRY LOT OWNERS' ASSOCIATION**

COMES NOW Lake Perry Lot Owners' Association ("Owners Association"), and for its request for a contested hearing and an order enjoining seller Port Perry Service Company as a party and scheduling a prehearing conference states the following:

1. On March 29, 2018, Owners Association filed its Application to Intervene in the above referenced cases.
2. On April 10, the Missouri Public Service Commission ("Commission") granted Owners Association Application to Intervene.
3. In light of the issues of fact identified by the Office of Public Counsel and the interests of the Owners Association, the Owners Association now requests a contested hearing and an order scheduling a prehearing conference.
4. In addition, since the seller Port Perry Service Company is undoubtedly a necessary party to this proceeding, for which Owners Association will have discovery requests, Owners Association requests that the Commission enjoin Port Perry Service Company as a party in this case.

WHEREFORE, Lake Perry Lot Owners Association respectfully requests a hearing and an order enjoining Port Perry Service Company as a party and scheduling a prehearing conference.

Respectfully submitted,
