File No. IK-2018-0312

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On May 1, 2018, BPS Telephone Company filed with the Missouri Public Service Commission its *Application of BPS Telephone Company for Approval of an Interconnection and Traffic Exchange Agreement* between itself and Level 3 Communications, LLC.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the *Application*. BPS Telephone Company is certificated with the Commission as an incumbent local exchange carrier. Level 3 Communications, LLC, is certificated with the Commission as a competitive local exchange carrier and interexchange carrier.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
