Interconnection Agreement with Onvoy, LLC)

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On March 10, 2021, Windstream Missouri, LLC (“Windstream Missouri”) filed with the Missouri Public Service Commission its *Application for Approval of an Amendment to an Interconnection Agreement* between itself and Onvoy, LLC (“Onvoy”).

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Amendment was filed with the *Application*. Windstream Missouri is certificated with the Commission as an incumbent local exchange carrier. Onvoy is certificated with the Commission as a competitive local exchange and interexchange carrier.

WHEREFORE, Staff recommends the Commission approve the *Application* and grant such other and further relief as the Commission finds appropriate in the circumstances.

Respectfully submitted,

/s/ Ron Irving
