RE: In the Matter of an Investigation into the Tree Trimming Policies of Union  
Electric Company d/b/a AmerenUE, Case No. EW-2004-0583

Dear Mr. Henderson:

Enclosed is AmerenUE's Report on Metro Tree-Trimming Schedule and Other Area Tree Trimming Schedule for the first quarter of 2007. On both worksheets, the number at the bottom of each column in bold is the actual line miles completed between January 1, 2007, and March 31, 2007. For 2007, Ameren has 4926 distribution line miles scheduled under performance management with our vendors. As of March 31, 2007, 1234 distribution miles have been completed or 25%.

Sincerely,

A handwritten signature in blue ink, appearing to read "Thomas M. Byrne", is written over a faint, larger version of the same signature.
