**MOTION TO WITHDRAW OF CITY OF KANSAS CITY, MISSOURI**

Comes now the City of Kansas City, Missouri (hereinafter referred to as the "City"), Intervenor in this matter, by and through its attorneys, and respectfully requests leave of the Commission to withdraw from this proceeding. The City states as follows:

1. The City was granted intervention as a party to GMO's rate case (ER-2007-0004). As a result, the City was automatically made a party to this case by order of the Commission in this case on June 23, 2011.

2. At the outset, the City expresses its appreciation to the Commission that it was added as a party herein without the filing of a separate application to intervene.

3. However, the City does not anticipate any active participation in this case, and to avoid costs that could be incurred if it remains an intervener, the City respectfully requests leave to withdraw as a party to EO-2011-0390.

Respectfully submitted,
