

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a)
Ameren Missouri's 3rd Filing to Implement) File No. EO-2018-0211
Regulatory Changes in Furtherance of Energy)
Efficiency as Allowed by MEEIA.)

NOTIFICATION

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") and, pursuant to the terms of its tariffs approved to implement the energy efficiency portfolio approved in this case, submits the following:

1. Ameren Missouri's Change Process tariff, found at Sheet No. 221.4 of its Energy Efficiency MEEIA 2019-21 tariffs, states that the Company will file a notice in this case prior to making a change in its measure and/or incentive amount offering.

2. Ameren Missouri is modifying its real estate education program in light of the COVID-19 pandemic to minimize the need to have an energy efficiency auditor enter the home. Specifically, the modifications create a process for a Home Energy Self-Assessment, which includes providing the customer a self-assessment questionnaire completed by the customer and sent to the Midwest Energy Efficiency Alliance. Ameren Missouri then receives and reviews the self-assessments and provides a customized report about how to improve the efficiency of the customer's home. The customer will receive a \$50 incentive for these self-assessments. A web page mockup describing the program for customers is included with this *Notice* as Attachment A.

WHEREFORE, Ameren Missouri respectfully files this *Notification* in compliance with the terms of its tariff.

Respectfully submitted,
