APPLICATION TO INTERVENE

COMES NOW the Midwest Energy Consumers' Group ("MECG"), pursuant to 20 CSR 4240-2.075 of the Commission's Rules of Practice and Procedure and the Commission's June 26, 2020 *Order Directing Notice, Consolidating Cases, Establishing Deadlines, and Setting Procedural Conference*, and for its Application to Intervene respectfully states as follows:

1. The Midwest Energy Consumers Group is an incorporated entity representing the interests of large commercial and industrial users of electricity, water and natural gas throughout the State of Missouri including in the areas served by Missouri-American Water Company ("MAWC").

2. Correspondence or communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:

E-mail: david.woodsmall@woodsmalllaw.com

3. On June 30, 2017, MAWC filed tariffs designed to increase water rates by \$102.9 million (32.3%). The matters to be considered in this case and the Commission's determinations thereon, could have a direct and significant impact on cost of service to large commercial and industrial customers.

4. Granting this proposed intervention would serve the public interest and would assist the Commission in the development of a more complete record. MECG's interest is direct, immediate, unique, different from that of the general public, and will not or cannot be adequately represented by any other party. Therefore, it will aid the Commission and protect and advance the public interest that MECG be permitted to intervene in this proceeding to protect its interest.

WHEREFORE, MECG prays: (a) that it be permitted to intervene herein and be made a party hereto with all rights to have notice of and participate in hearings, to present evidence, cross-examine witnesses, file briefs and participate in argument, should any be had; and (b) for all other needful and proper relief appropriate in the premises.

Respectfully submitted,
