1. Evergy Missouri Metro is a Missouri corporation with its principal office and place of business at 1200 Main Street, Kansas City, Missouri 64105. The Company is primarily engaged in the business of generating, transmitting, distributing, and selling electric energy in portions of eastern Kansas and western Missouri. The Company is an electric corporation and public utility as defined in Section 386.020 Mo. Rev. Stat. (2000), as amended. A Certificate of Good Standing was filed with the Commission in Case No. EN-2020-0063 and is incorporated herein by reference in accordance with 20 CSR 4240-2.060(1)(G).

2. Commission Rule 20 CSR 4240-4.017(1) provides, in pertinent part, as follows:

(1) Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case. Such notice shall detail the type of case and issues likely to be before the commission and shall include a summary of all communication regarding substantive issues likely to be in the case between the filing party and the office of the commission that occurred in the ninety (90) days prior to filing the notice. The filing of such notice shall initiate a new noticed case and be assigned an appropriate case designation and number. If the expected case filing is subsequently made, it shall be filed in the noticed case. If the expected case filing is not made within one hundred eighty (180) days, the noticed case shall close.

3. Respectfully submitted,
