Re: Mid MO Sanitation, LLC Request for Increase in Annual Sewer Operating Revenues Per Commission Order

Secretary -

Mid MO Sanitation, LLC ("Mid MO" or "Company") is engaged in the provision of sewer service pursuant to a certificate of convenience and necessity issued by this Commission in Case No. SA-2009-0319. The Company currently has 28 customers.

In the Missouri Public Service Commission's Order Approving Stipulation and Agreement in Case No. SA-2009-0319, the Commission ordered Mid MO to file a small utility rate case pursuant to Commission Rule 4 CSR 240-3.050, within 90 days of the effective date of that order (June 13, 2009).

Accordingly, pursuant to Commission Rule 4 CSR 240-3.050 (Small Utility Rate Case Procedure), Mid MO hereby requests an increase in annual sewer system operating revenues in the amount of \$1. The Company understands that the design of its customer rates, its service charges, its customer service practices, its general business practices and its general tariff provisions will also be reviewed during the Commission Staff's review of the rate increase request, and may thus be the subject of Staff recommendations at the conclusion of the rate increase process.

Mid MO understands that within thirty (30) days after a case is opened it will be required to mail written notice of the request that has been approved by the Staff and the Office of the Public Counsel, to each of its customers. Mid MO has no pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates. Mid MO has no annual report or assessment fees which are overdue. Secretary of the Commission Missouri Public Service Commission Page 2 of 2 September 11, 2009
