Re: Tariff Filing to Re-establish an Infrastructure System Replacement
Surcharge

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 5 Consolidated, Sixth Revised Sheet No. 12, which is applicable to both divisions of Laclede Gas Company ("Company").

This revised tariff sheet, which has an issue date of March 31, 2006 and an effective date of May 1, 2006, is being filed to re-establish an infrastructure system replacement surcharge ("ISRS") in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri. A full explanation of the surcharge being proposed by the Company is set forth in the *Verified Application and Petition of Laclede Gas Company for Establishment of an Infrastructure System Replacement Surcharge*, which is being filed separately today. As proposed herein, the ISRS would increase the typical residential heating customer's bill by 25 cents per month or approximately two-tenths of 1%.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

Kenneth J. Neises
