**RE: Liberty Utilities (Midstates Natural Gas) Corp. (“Liberty”)
ISRS Rate Schedule – Case No. GT-2021-0073**

Dear Judge Woodruff:

On December 31, 2020, Liberty submitted a Verified Infrastructure System Replacement Surcharge (“ISRS”) Application in Case No. GT-2021-0073. A proposed tariff sheet was attached to the Application as Attachment 1 of Appendix C, but the tariff sheet was not filed separately in EFIS at that time.

I am providing herewith to the Missouri Public Service Commission for filing, in electronic form, the following revised tariff sheet:

Form No. 13 PSC MO No. 2 11th Revised Sheet No. 19

This revised tariff sheet bears an issue date of January 14, 2021, and a proposed effective date 60 days thereafter (March 15, 2021). The ISRS rate schedule being submitted at this time varies from the tariff sheet attached to the ISRS application, due to discussions which took place between Liberty and Commission Staff regarding customer counts after the filing of the Application. A redlined tariff sheet is being provided to Staff and the Office of the Public Counsel.

Staff’s recommendation regarding Liberty’s ISRS filing and any objections or hearing requests are currently due by March 1, 2021.

Please bring this tariff filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana Carter
