**KANSAS CITY POWER & LIGHT COMPANY’S
MOTION FOR PARTIAL SUMMARY DISPOSITION**

Pursuant to 4 CSR 240-2.117, Kansas City Power & Light Company (“KCP&L” or “Company”) respectfully moves the Missouri Public Service Commission (“Commission”) to grant partial summary disposition in favor of KCP&L with respect to the Complaint filed by Emma J. McFarlin and Rebecca J. Shepherd (“Complainants”). In support thereof, KCP&L states as follows:

1. On July 20, 2012, Complainants filed a Complaint with the Commission. In their July 24, 2012 filing, the Complainants appear to allege faulty meter readings that “may have led to excessive billing.”
2. Adjustments to customer bills are addressed under a KCP&L tariff approved by the Commission. KCP&L’s tariff (Rule 6.09(a) (Sheet 1.24)) which provides that, after the meter is tested, unless the error is greater than 2% no billing adjustment will be made. Complainant’s meter tested within this standard. See Memorandum in Support of Kansas City Power & Light Company’s Motion for Partial Summary Judgment, Exhibit 2, filed herewith.
3. In further support of this Motion, KCP&L files herewith and incorporates herein by reference its Memorandum in Support of its Motion for Partial Summary Disposition.

WHEREFORE, KCP&L respectfully requests the Commission enter an Order granting partial summary disposition in its favor with respect to those portions of Complainants' Complaint regarding accuracy of the meter or bills.

Respectfully submitted,

/s/ Roger W. Steiner
