

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the 2008 Resource)	
Plan of Kansas City Power & Light)	EE-2008-0034
Company Pursuant to 4 CSR 240-22)	

APPLICATION TO INTERVENE BY PRAXAIR, INC,

COMES NOW PRAXAIR, INC. ("Praxair") pursuant to 4 C.S.R. 240-2.075 and applies to intervene herein and become a party hereto in respect to the February 5, 2008 second application by Kansas City Power & Light Company ("KCPL") for additional waivers concerning certain of the Commission's Electric Utility Resource Planning ("IRP") reporting requirements pertaining to KCPL's August 2008 IRP submission. In support, Praxair respectfully states:

1. Praxair is a large industrial electric customer of Empire. Praxair operates a major air liquefaction and constituent gas separation facility in Kansas City in KCPL's service territory. Praxair is the successor in interest to the Linde Division of Union Carbide Corporation.

2. Through Praxair's own prior interventions and those of its predecessor, Praxair's interests in proceedings affecting the rates, terms and conditions of electric service from KCPL have been previously recognized by the Missouri Public Service Commission in permitting Praxair's intervention in prior rate design and electric rate proceedings concerning KCPL, including the recently concluded regulatory plan case, EO-2005-

0329, sometimes termed the "comprehensive energy plan" or "CEP" and numerous other cases.

3. Correspondence or communications regarding this application, including service of all notices and orders of this Commission, should be addressed to:

4. As an interruptible customer, Praxair's interest in the terms and conditions of service, and in KCPL's rates is direct, immediate, unique, different from that of the general public, and will not or cannot adequately be represented by any other party. Therefore, it will aid the Commission and protect and advance the public interest that Praxair be permitted to intervene in this proceeding to protect its interest which no other party is in a position properly to protect and adequately represent.

5. For purposes of 4 C.S.R. 240-2.075(2), Praxair states that it opposes the discriminatory and non-cost-based pricing of electricity and related utility services.

WHEREFORE, Praxair prays: (a) that it be permitted to intervene herein and be made a party hereto with all rights to have notice of and participate in hearings to present evidence,

cross-examine witnesses, file briefs and participate in argument, should any be had; and (b) for all other needful and proper relief appropriate in the premises.

Respectfully submitted,
