Date: May 23, 2005

On May 18, 2005, Goodman Telephone Company (Goodman), an incumbent local exchange company, filed a Motion for Expedited Treatment along with a proposed tariff filing to implement the Missouri Universal Service Fund. The Motion requests that the proposed tariff filing be approved on an expedited basis so that the company may begin collecting the surcharge from its customers as ordered by the Commission. On May 19, 2005, the Commission ordered Staff to file its recommendation regarding Goodman's Motion and tariff filing no later than May 26, 2005.

Goodman's tariff filing outlines the following:

- Goodman will place on each retail end-user customer's bill a surcharge equal to the Missouri Universal Service Fund percentage assessment ordered by the Commission.
- The Surcharge will appear as a separate line item detailed as "Missouri Universal Service Fund"
- The Surcharge percentage will be applied to the total of each customer's charges for intrastate regulated telecommunications services that meet the definition of net jurisdictional revenues as defined at 4 CSR 240-31.
- Lifeline assistance criteria for low-income customers.
- Lifeline assistance criteria for disabled customers.

Staff has no objections to the proposed tariff filing or to Goodman's request for expedited approval and recommends that the Commission issue an order to approve the following tariff pages at its earliest convenience:
