COMES NOW Missouri-American Water Company (MAWC) and for its Status Report states as follows:

1. In its November 3, 2010 Order Approving Transfer of Assets, the Public Service Commission ordered:

3. If the transfer has not occurred within 30 days, Missouri-American Water Company shall file a status report explaining why. Such status report shall be filed at every 30-day interval until the transfer is closed.

2. MAWC reports that the transfer has not yet occurred, because Loma Linda Water Company is still negotiating the acquisition of necessary easements from a third party.
